

100 Years

As part of the celebration of the 100th year for our congregation in this building, the Marthas are making a bell banner to be used for years to come. We will be selling the celebration bells for \$100 each and using all the proceeds to purchase new banners to be hung in the church for years to come. This banner will become part of the many celebrations we have in our church and will have a permanent place in our sanctuary!

If you are interested, please fill out the information below. We are really excited and hope families, classes, committees, groups and all feel encouraged to participate in this lasting celebration banner.
